

第二学士学位在线心理测评入口及操作指南

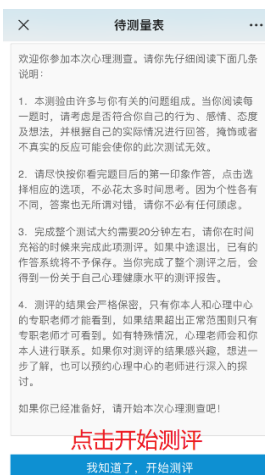

一、扫描二维码进入心理测试系统

二、按要求输入学号，密码默认为学号后六位

The screenshot shows the login interface of the '宁波工程学院专业心理测试系统' (Ningbo University of Applied Sciences Professional Psychological Assessment System). It features a blue header with the system name. Below the header, there are input fields for '学号/工号/编号/手机号' (Student ID/Employee ID/Number/Phone Number) and '密码' (Password). The password field has a hint '输入学号后六位' (Enter the last six digits of the student ID). There are buttons for '登录' (Login) and '我要注册' (I want to register).

三、点击“开始测评”进入测试界面

The screenshot shows a modal window titled '待测量表' (Waiting for assessment). It contains a list of instructions for the user. At the bottom, there is a red button labeled '点击开始测评' (Click to start assessment) and a blue button labeled '我知道了，开始测评' (I know, start assessment).
